RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT

Attention:

E. Rollins-Cross, Director, Patent Examining Groups 3710 and 3720 and

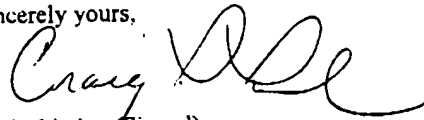

Mr. Steve Marcus, Special Program Examiner

I want thank you for your letter dated March 10, 2003, regarding my former petition to withdraw holding of abandonment. This letter is my renewed petition to withdraw the holding of abandonment.

I hereby swear under penalty of perjury that: 1. I did not receive the Notice of Non-Complaint Amendment apparently mailed to me on or about June 12, 2002; 2. that I am very careful with all mail from the USPTO, and that such mail is immediately read and properly filed and appropriately acted upon; 3. that I have conducted numerous through searches of the particular files and other areas, and that I have not found any such letter.

I have been dealing with the patent office directly and indirectly for about thirty years and this is the first time I have ever made a claim that I did not receive a letter from the USPTO.

Sincerely yours,

Craig Linden (Signed)
